

Hydro purge thinner and concentrate, low-VOC or VOC-free for cleaning mixing units, paint supply lines, rotary atomizer and tools for the processing of water-based lacquers

Application	Product	Product parameter	Product features	Your advantage	Your benefit
Purge thinner for water-based lacquers	ESKANOL 10.191	Surfactant-free	Low-VOC	Foam-free	Compliance with 31. BImSchV
Purge thinner for water-based lacquers	ESKANOL 10.191-7	Surfactant-free	Low-VOC Concentrate	Foam-free	More cost-effective compared to finished product Lower storage volumes,
Purge thinner for water-based lacquers	ESKANOL 10.444-7	Surfactant-free	VOC-free, Concentrate	Foam-free, VOC-free	More cost-effective compared to finished product Lower storage volumes,
Purge thinner for water-based lacquers	ESKANOL 12.001	Contains surfactants	VOC-free, Concentrate easily biodegradable surfactants	VOC-free	More cost-effective compared to finished product Lesser storage volumes Compliance with 31. BImSchV and (EC) 648/2004
Purge thinner for Isocyanate hardener	ESKANOL 8.156	Flashpoint: 27°C, free from aromatic compounds Immiscible	For isocyanate hardener, acrylics and PUR	Good isocyanate hardener solvent	Lesser maintenance costs
